I1	The people who run the country are not really concerned with what happens to people like me.	5-1	-2	-3	-4	-5	-6
I2	Most of the time I can trust the country's national leaders to do what is right.	6-1	-2	-3	-4	-5	-6
I3	It is alright to get around the law as long as you don't actually break it.	7-1	-2	-3	-4	-5	-6
I4	It is desirable to create one united South African nation out of all the different groups who live in this country	8-1	-2	-3	-4	-5	-6
I5	If public officials are not interested in hearing what people like me think, there is really no way to make them listen.	9-1	-2	-3	-4	-5	-6
I6	The South African Parliament treats all people who come before it – black, white, coloured and Indian – the same.	10-1	-2	-3	-4	-5	-6

I9	Different churches or religious organisations should start holding some services together so that different South Africans can get to know one another better.	13-1	-2	-3	-4	-5	-6
I10	If the South African Parliament started making a lot of decisions that most people disagree with, it might be better to do away with Parliament altogether.	14-1	-2	-3	-4	-5	-6
