F.2 Most of the time I can trust the country's national leaders to do what is right.	-1	-2	-3	-4	-5	-6
F.3 It is alright to get around the law as long as you don't actually break it.	-1	-2	-3	-4	-5	-6

F.11 The ruling of South African courts should be in accordance with the South African Constitution, even if it contradicts the will of the majority of South Africans	-1	-2	-3	-4	-5	-6
F.12 South Africans courts can generally be trusted to make judgements that are fair towards all South Africans	-1	-2	-3	-4	-5	-6

SHOW CARD: Black Economic Empowerment (BEE) has been a much debated issue in recent years. In terms of the Broad-based Economic Empowerment Act (53 of 2003), integrated BEE strategies should promote broader and meaningful participation of all black South Africans in the economy, by “increasing the number of black people that manage, own and control enterprises”. The act defines “black South Africans” as Africans, coloureds, and Indians. I would like to know what you think about the following statements on BEE.
